

“HOW DO I...

Pay Elective or Athletic Fees On-Line?”

It only takes a few easy clicks of your computer mouse to get this set up and accessible for payment.

You just need to log into our FFCA Website at www.ffca-calgary.com/myhome. This is the main log-in screen to the registration site. Once you are logged into the Family Site, there is a link on the right hand side called Cashless Schools that links you through to the Cashless login page. The first screen will say “Parent Center”. Click on the “SIGN UP NOW” and follow the instructions to set up an account **OR** log in and pay any fees that have been assigned to your son/daughter. You never have to write us a cheque or send cash into the school again. You can pay your fees from home at any time. Check it out, you’ll love it.
