

FFCA High School January 2010 Exam Schedule

Dear Students and Parents:

With the pending arrival of 2010, our semestered course final exams are approaching. For students in these courses, it is the time of year when they begin the final push toward the end of the courses. As such, we are providing you with the exam schedule and expectations for the Semester I exams in January.

Exam Day Expectations

- Daily uniform expectations are in effect for all exams and while in the school building on these dates. Failure to do so could result in a student's inability to write an exam.
- Picture ID is REQUIRED for ALL Exams
- Entrance to all exams will start at 8:30 in the morning and 12:00 in the afternoon and students must be in attendance at this time.
- Morning exams start at 9:00 and in the afternoon at 12:30
- Beginning one hour after the exam commences, students will be allowed to exit the exam room at 20 minute intervals.
- Upon the completion of exams students are expected to be off-campus or in a prearranged supervised tutorial (with a teacher).

Final Exam Attendance

Please note that attendance for all final exams is mandatory and every effort should be made by students to be in attendance on the prescribed dates. Students who miss a final exam will not be permitted to write the exam and will receive a score of '0' unless they make alternate arrangements with the instructor in advance or provide a medical certificate signed by a physician.

Students who fail to write a diploma exam for a grade 12 course, i.e. Applied/Pure Math 30, ELA 30-1/30-2, Chemistry 30, Biology 30, Physics 30 & Social Studies 30/33, will have to wait and write this exam on a provincially scheduled testing-date. The next exam dates are in June. There are no exceptions to this policy.

Yours in Education
