Thanks everyone for a fantastic year! Its been fun being a part of Parent Council for such a great school. We had our AGM on June 14, and there are three positions still open if you are interested:

Community Service Representative

Please contact our new Chair, Angela Cox at 403-698-2508, if you would like more information! Have a relaxing summer and we will see you next year!

Thanks to all parents who answered my calls for help this year, I appreciate it. Also we have once again achieved 100 percent participation for families for our campus. Way to go Southwood.

Have a fabulous summer and I will see you in the fall as your fundraising coordinator.

Shelley Murray
