Hello SWE Families! With the end of the year coming in only one month, we wanted to say THANK YOU to all of the families that have volunteered and supported your School Council and our Southwest Campus. We couldn't accomplish all that we have without the help of our parents, students and staff this year. From set up and clean up at special events, hot lunch and milk help, staff appreciation donations and fundraising support to our Mentor Families, Book Fair team and many, many more, we thank all of the parents, families and friends that have helped to make this an incredible year. Our Southwest Families are the BEST and we couldn't have done it without you!

The School Council will be hosting their Annual General Meeting on June 14th and will be voting for our 2010 – 2011 School Council. Please consider becoming a part of the School Council and having a say in what happens at SWE. We will be sending out more information in the next month on the positions available and we would encourage all families to come and see what amazing things we get to be a part of. It's a chance to not only get to work closely with your Administration and teachers, but it allows you to help with decisions on your child's education and you're Southwest Campus!

Our next School Council Meeting, our Annual General Meeting, will be held on June 14th at 6:30 pm. Please remember that you can count your time at the meeting towards your volunteer hours! If you have a question or concerns, please feel free to contact me or any member of the School Council. We hope to see you there!

Cindy Higa Chair mchiga@shaw.ca

It's May already, one more month and school will be over, can you believe it!! The ECS students are well into reading their decodables and are learning about things that happen in the Spring. Mrs. Hunt and Mrs. Miller's class now have some baby chicks to feed and look after, how cute and exciting!! I'm sure the next month will hold many new and wonderful things for them to learn. Special Snack this month will be on our next casual day May 28th, which is hat day.

Thank you,
Mona Bates

Did you know that our FFCA Southwest Campus was the first in FFCA history to reach 100% volunteer participation last year? Our campus could not have achieved this success without the participation of all of our families.

This year, we are VERY close to obtaining this target for the second year in a row!! We need your family's help in reaching this goal!

We realize that it may be difficult for some families to fulfill their 20 hours. School Council would like to assist these families in having some involvement with the Southwest Campus. Please contact the Volunteer Coordinator, Shelley Murray at samurray4@shaw.ca or 403-238-1527 for further information.

School Council would like to take this opportunity to thank all of the families who continue to be involved with our Southwest Campus. We especially appreciate those who have met or exceeded their 20 hour volunteer commitment. Our Administration, staff, students and school council benefit from everyone's continued support and involvement at our school. THANK YOU!
