

## Uniform Update to all FFCA Parents and Guardians

Dear FFCA Families,

In an effort to ensure that we are providing quality uniform pieces, competitive prices, and a company that pays attention to the service that you will receive, our FFCA Uniform Committee has completed the selection process for a new uniform supplier. We are happy to announce that Wear It Inc. will be our new uniform supplier effective March 1, 2010. Important to note is that although we are changing uniform suppliers our FFCA uniform pieces, as established by Board Policy I-501 Uniforms, will remain exactly as we have known them to be this past year.

Wear It Inc. is committed to providing us with quality products and high levels of customer service through online or in-store contact. Ariel Piper, CEO of Wear It, Inc. is enthusiastic that her company is the right company to meet the needs of our families and our FFCA uniform requirements. In her words, "We look forward to providing you with a new level of service and quality products that you will enjoy. Feel free to check us out at [www.wearit.ca](http://www.wearit.ca). Come May 1, you will be able to shop at your own FFCA uniform store located just steps away from the FFCA High School."

We are excited and confident that Wear It Inc. will keep the needs of our schools and families at the forefront of their work with us over the next three years.

To make the transition between uniform suppliers as smooth as possible, **Wear It Inc. will be selling all remaining Halpern's FFCA uniform pieces at 20% off of the regular retail price beginning March 1, 2010.** Hurry in to get a great deal on next year's uniforms and to meet Ariel!
