

AP-I-501.1.1 Uniform Lists

FFCA Uniform Requirements All Grades

FFCA is a uniform school. All students are to arrive at school dressed in either their Full dress uniform or their daily wear uniform as directed/required. The only exceptions will occur on predetermined casual days.

Uniforms serve many purposes. At FFCA, our school uniforms help students arrive at school with an attitude conducive to learning and work. Secondly, our uniforms help to create a sense of culture and belonging. When our students are in uniform outside the school, they represent FFCA and everything that FFCA stands for. Lastly, uniforms help eliminate socioeconomic differences and the tendency toward competition between students in the areas of dress and appearance.

The Full Dress Uniform requirements are non-negotiable, and all students must own all the required pieces and be prepared to wear them when required by school administration. The Full Dress Uniform will be required for all formal occasions such as school pictures, designated assemblies, concerts, and field trips off the school property as deemed appropriate by the school administrator.

Basic Uniform or Optional items may be worn on school days when none of the above conditions apply, and this list provides options that are intended to provide our students comfort and some flexibility within the uniform. For example, respecting the fact that some children may have issues with wearing a vest or sweater daily, we have provided an optional coloured and crested shirt for daily wear.

Throughout this list you will find that, as a general rule the school colours must be worn at all times. For boys, this means wearing a crested FFCA vest or sweater over a white shirt in the Full dress uniform, or choosing the coloured crested shirt for basic daily wear. Girls can show school colours by wearing a plaid kilt or tunic daily - but if they choose to wear pants, skorts, or shorts, a crested vest or sweater must be worn - or alternatively the coloured shirts – in order to show the school colours. Again, the general rule applied is that the school colours must be present.

To summarize, for all grades in daily basic wear:

The crested vest or sweater **MUST** be worn over white shirts when worn with pants, shorts or skorts,

The crested vest or sweater **CANNOT** be worn with the burgundy or green shirts, and

The crested vest or sweater is **OPTIONAL** when wearing kilts or tunics.

All pieces marked in this list with an asterisk (*) are to be purchased from the official sanctioned supplier – Wear It.

These uniform requirements will be strictly enforced, so please take the time to familiarize yourself with them. If you find that you have questions about the requirements, or a suggestion for the improvement of the uniform code – please contact your Principal Administrator. They will ensure your questions are answered - or that your suggestions are passed on to the Board.
