

**Associate Principal Announcement
South Middle School Campus**

It gives me great pleasure to announce the appointment of Brian Crouch as the Associate Principal at the South Middle School Campus for the 2021-2022 school year.

Brian joined FFCA in 2009 as a Social Studies teacher and has taught leadership, physical education and outdoor education. Brian holds a Bachelor's Degree in Education specializing in history and physical education. He completed his Master's in coaching studies from the University of Victoria in 2013. Brian has worked as an Associate Principal for the last 2 years at the Southeast Elementary Campus.

Brian shares the following on taking on this new role: I will miss my Southeast Elementary colleagues and families and appreciate the trust and support they have given me over the past two years. I am excited to meet my new colleagues and families at South Middle School and I am beyond grateful for the opportunity to join the SMS team.

We are extremely pleased that Brian has accepted this new challenge.

Kurtis Leinweber, Acting Superintendent
