

## Coordinator of Instruction & School Support Announcement

### Central Office

It gives me great pleasure to announce the secondment of Denise Budgen as a Coordinator of Instruction & School Support at Central Office. Mrs. Budgen has been Principal Educator at Southeast Elementary campus since 2014. She started as a teacher with FFCA in 2000. She has also served as Principal Educator at our Northwest Elementary campus. Denise holds a Bachelor's Degree in Education from the University of Calgary and a Master's Degree in Educational Leadership from Gonzaga University.

Denise shares the following thought on taking on this secondment at Central Office: "I am excited to join the Central Office team and to work in this newly organized role with Justin Kool. While I will miss the daily contact with my dear colleagues and students at Southeast Elementary, I look forward to creating memories, celebrating achievements and solving challenges alongside the talented and dedicated staff at all of our campuses."

We are extremely pleased that Denise has accepted this new challenge.

Kurtis Leinweber, Deputy Superintendent/Chief Operations Officer
