

**Coordinator of Inclusion - Staffing Announcement  
Central Office**

We are pleased to inform you of a new addition to the FFCA Central Office team.

Krystal Abrahamowicz will be joining us on August 15, 2022 as Coordinator of Inclusion. Krystal comes to FFCA having spent the last seven and a half years at the Calgary Regional Consortium (CRC) where she currently holds the position of Executive Director. Prior to that, she was a Designer of Professional Learning at CRC with a focus on inclusive education. Krystal has also worked as a teacher and Student Services Coordinator at Westmount Charter School which followed the initial phase of her teaching career when she supported students with specialized needs in the Starting Points and DD1 programs with Calgary Catholic School Division. She holds a Master's Degree in Education from the University of Calgary.

Krystal shares the following thought on joining FFCA and taking on this role: *"Having worked for Charter Schools over much of my career, I am delighted to join the FFCA family as the Coordinator of Inclusion. I look forward to getting to know you all, to learning about what makes our students 'tick', and how we can work together to support the success of every learner at FFCA. See you in the Fall!"*

Please join me in welcoming Krystal to FFCA!
