

Principal Educator Announcement NMS Campus

It gives me great pleasure to announce the appointment of Doug Lamb as the Principal Educator at the North Middle School Campus.

Doug currently serves as the Associate Principal at the South High School Campus, and prior to that at the High School Campus. Doug joined FFCA as a teacher in 2007, teaching middle school Humanities, before transferring to the High School and joining the Social Studies department. At the High School, he also took on an inclusion liaison role and developed their World Religions course. Doug holds Bachelor's of Arts and Education degrees from the University of Lethbridge, and a Master's Degree in Educational Leadership from the University of Calgary.

Doug shares the following thoughts on taking on this role, "My time with the High School has been unforgettable, and I leave with an overwhelming sense of gratitude for my experiences and relationships there. I am especially proud of the work we have done over the past three years. Thanks to all the South High School staff, students, and families! I am very excited for this new opportunity to be joining the North Middle School team, and returning to the middle school community. I can't wait to get started - see you soon!"

We are extremely pleased that Doug has accepted this new challenge.
