

**Associate Principal Announcement
South High School Campus**

It gives me great pleasure to announce the appointment of Colin Marshall as the Interim Associate Principal at the South High School Campus for the 2022-23 school year.

Colin has served as the Interim Associate Principal at the North High School Campus for most of the current school year. He first joined FFCA as a high school science and biology teacher in 2005. Colin holds a Bachelor's Degree in Biology from the University of Guelph and a Post Graduate Certificate in Education from the University of Edinburgh.

Colin shares the following thoughts on taking on this new role: "I've learned so much in my time as AP at the North High School and will miss the entire amazing community greatly. Special thanks go to Susan Boyd who taught me the ropes on the fly with grace and patience. At the same time, I am truly excited to return to the fantastic team at the South High School and to get back to work with this indomitable team!"

We are extremely pleased that Colin has accepted this new challenge.
