

## **Jenn Wolowich (Widney)**

Jenn has two kids attending FFCA who have been proud members of the FFCA community since kindergarten. With a passion for volunteering with youth, Jenn began volunteering with FFCA as a room parent and is an active leader with Girl Guides of Canada.

With a Bachelor's Degree in Psychology and a Certified Financial Planning designation, Jenn specializes in personal finance and is the founder of Financial Fundamentals Ltd in Alberta. Her company teaches Canadians how to unlock their financial potential, create abundance and confidently navigate their financial journey while having some fun along the way.

As a member of the Board of Directors, Jenn is excited to continue to support FFCA in a strategic partnership with the incredible stakeholders in our organization. Serving on the board has been a tremendous honour, and she looks forward to our school's continued growth.
