

AP-D-401.2 Fee Subsidy Administrative Procedures

Revised June 12, 2017

BACKGROUND & RATIONALE

FFCA is a public school and as such cannot deny access to its program to any family based on inability to pay fees (mandatory Board-set fees for resource, transportation).

PROCEDURES

Application to have mandatory fees subsidized shall be made via FFCA's "Application for Fee Subsidy" form (AP-D-401.2.1 Applying for a Fee Subsidy, or contact your campus office).

The decision to subsidize mandatory fees shall be the responsibility of the Secretary-Treasurer. Campuses can choose to subsidize fees which are not Board-mandated (activity, option, phys. ed., etc.)
